MARYLAND DEPARTMENT OF TRANSPORTATION
MARYLAND TRANSIT ADMINISTRATION

The Baltimore City Department of Transportation (BCDOT) and the Maryland Transit Administration (MTA) invite you to attend a public workshop where plans will be presented to provide dedicated bus lanes on several major downtown streets. Dedicated bus lanes are part of MTA's BaltimoreLink project to improve the quality and reliability of bus service across the Region. Dedicated lanes will allow buses to move more quickly through downtown as well as help keep them on schedule. At the workshops, BCDOT and MTA will share concepts under consideration and listen to your ideas about how the lanes could work. Workshops will be held in three locations and provide the same information
