

No Child is an Island

Didn't have much in the hood you see.
Trying to walk around being all you can be.
People kept saying that he was a clown.
All he could do was just look down.

Then one day a neighbor came to say,
"Hey lil' boy you shouldn't live this way."
"What should I do when people put me down?"
"Just stand proud... don't walk with a frown."
"Thank you ma'am now I know what to do."
"Just come to me and I'll give advice to you."

See it takes a village to raise a child,
especially when each has a different style.
So keep your head up high to the sky.
Hey, maybe you'll grow to be wise.
