

## What is this Feeling?

What is this feeling?

A feeling of pain and distrust  
I feel like I'm going to bust  
Out and yell.

The answer is within our hearts.

Do you love me, or should we just stay apart?

I think I am about to cry.

No! No! No!

I'm going to dry away my tears.

I'll no longer live in fear.

Oh you breaking my heart.

So here's a new start.

A new beginning.

Because in the end,

I'll be the one winning!
