Weather & Emergency Plan

In the event that adverse weather conditions necessitate a change or deviation in the morning schedule, announcements will be made on radio station WBAL (1090 AM Baltimore), WMAL (630 AM Washington), WYRE (1080 AM), WNAV (1430 AM), WANN (1190 AM), WRSI (107.9 FM), and WHFS (99.1 FM). If the morning service does not run, then the afternoon service will not operate.

Should the U.S. Office of Personnel Management authorize an early release of federal workers due to inclement weather or miscellaneous events, the MTA will determine if coaches are available to depart according to a modified schedule.

Commuters should understand that the MTA requires sufficient advance notice in order to mobilize coaches for earlier runs or necessary detours with individual service providers.

The MTA will generate e-notices and post announcements on the Commuter Bus Service Update Center online, once changes in service occur.

If early release is:

Standee Policy

For the safety of our riders, the MTA prohibits standees on commuter buses except under the following circumstances:

- If the last evening bus has a full seated load;
- To accommodate passengers from another bus that has become disabled en-route; or
- In emergency situations, such as severe inclement weather or civil defense events.

Please note that a patron's need to reach his or her destination by a certain time is not considered an "emergency" for these purposes. Drivers are required to enforce this policy and to deny boarding to additional passengers once the bus has achieved a full seated load.
