MTA CALL-A-RIDE

PROVIDING ALTERNATIVE TRANSPORTATION FOR ALL MTA MOBILITY CUSTOMERS

The MTA Call-a-Ride service is available to MTA certified Mobility customers. Call-a-Ride service is not part of MTA Mobility service, but rather a separate and distinct MTA service provided under contract by participating area taxicab and sedan companies. MTA Mobility does not guarantee the availability of a particular type of vehicle or pick-up time. Customers deal directly with the taxi and sedan companies.

ELIGIBILITY FOR THE MTA CALL-A-RIDE SERVICE

- Applicants and current participants must be certified for MTA Mobility service and must be at least 13 years old to be eligible.
- All applicants must be capable of boarding, riding, and exiting vehicles either independently or with the assistance of a companion. A limited number of wheelchair accessible taxis and sedans are available to eligible individuals with mobility impairments who use motorized or non-folding wheelchairs.

HOW DOES MTA CALL-A-RIDE SERVICE WORK?

- Contact one of the participating taxi/sedan companies. Identify yourself as an MTA Call-a-Ride customer, and give your card number.
- Let the dispatcher know the time and place you wish to be picked up, as well as your destination.
- Up to three (3) companions may travel with you, but all of you must start and end the ride at the same location.

Once your vehicle arrives:

- When you get into the vehicle, present your MTA Call-a-Ride card to the driver. The driver will use it to electronically verify your eligibility.
- Pay the \$3.00 fare to the driver.
- Upon reaching your destination, if the meter reads over \$20.00, you will pay the driver the amount over \$20.00.
- At your destination, the driver will use your card again to electronically record the payment and create a paper receipt for you.
- Your card will be returned to you along with a receipt that you must sign to validate the trip. Customers are required to keep receipts for six months. If you cannot sign a receipt, contact MTA Call-a-Ride Customer Service to notify them of the trip within 24 hours of your trip's end.

WHEN CAN YOU USE YOUR MTA CALL-A-RIDE CARD?

Whenever you need it, 24 hours a day, 7 days a week, for up to two rides per day!

WHERE CAN YOU USE YOUR MTA CALL-A-RIDE CARD?

When using MTA Call-a-Ride, travel must begin and end within the established MTA Mobility service area, which is within 3/4 of a mile of fixed-route Local Bus, Light Rail or Metro Subway service. You are responsible for the entire cost of a trip that starts or ends outside the MTA Mobility service area.

FARE

Customers pay \$3.00 cash for each one-way ride with a meter reading of \$20.00 or less. If the final meter reading is over \$20.00 the customer pays the difference, in addition to the \$3.00 basic MTA Call-a-Ride fare.

There may be an occasional \$1.00 or \$2.00 charge, authorized by the Public Service Commission, for Baltimore City taxis going outside the city or for special dispatch fees. These fees will not affect you unless they cause your total fare to exceed \$20.00. If they do, you are responsible for the amount over \$20.00. For more information, please call MTA Call-a-Ride Customer Service at 410-664-2030.
