Catching the bus is so easy to do.
Place your money in the fare box or
swipe your transit pass
then walk right through.

Don't forget to listen for your stop,
your destination is only
a skip and a hop!

Safety Tips:

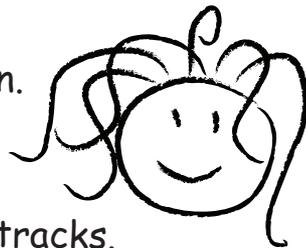

- Do not place head or arms out of the windows of moving vehicles.
- Listen to your parents and the driver at all times when riding.
- Do not scream or yell when talking...talk softly.
- Do not run or play in front of or near bus stops or trains.
- Wait for the train behind the yellow line.

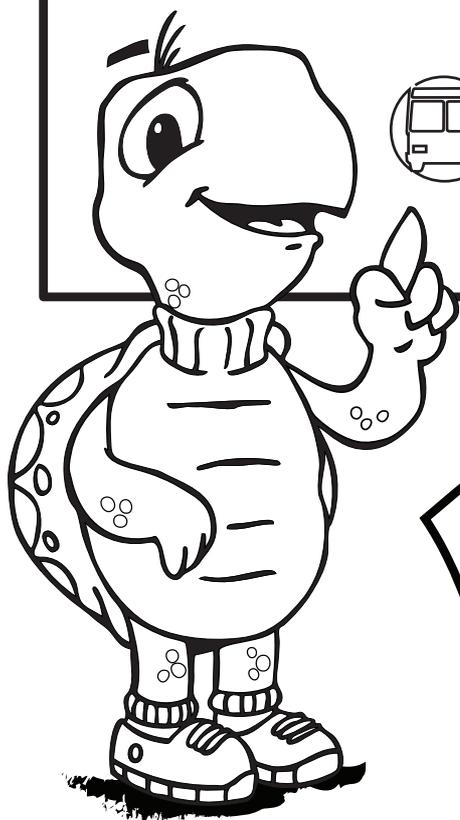

Safety Tips:

- Wait for the bus on the sidewalk, not on the curb or in the street.
- Watch out for traffic and never walk in front of a Bus or Train.
- Slow down. Walk, do not run for the Bus or Train.
- Tell the Bus driver, Train operator or MTA police if you need help.
- Do not play on the bus or trains. You could get hurt.
- Keep the aisles clear so you do not fall.
- Always Stop, Look, and Listen.
Train time is anytime.
- Never walk or cross on train tracks.
- Always hold on to handrails when riding.

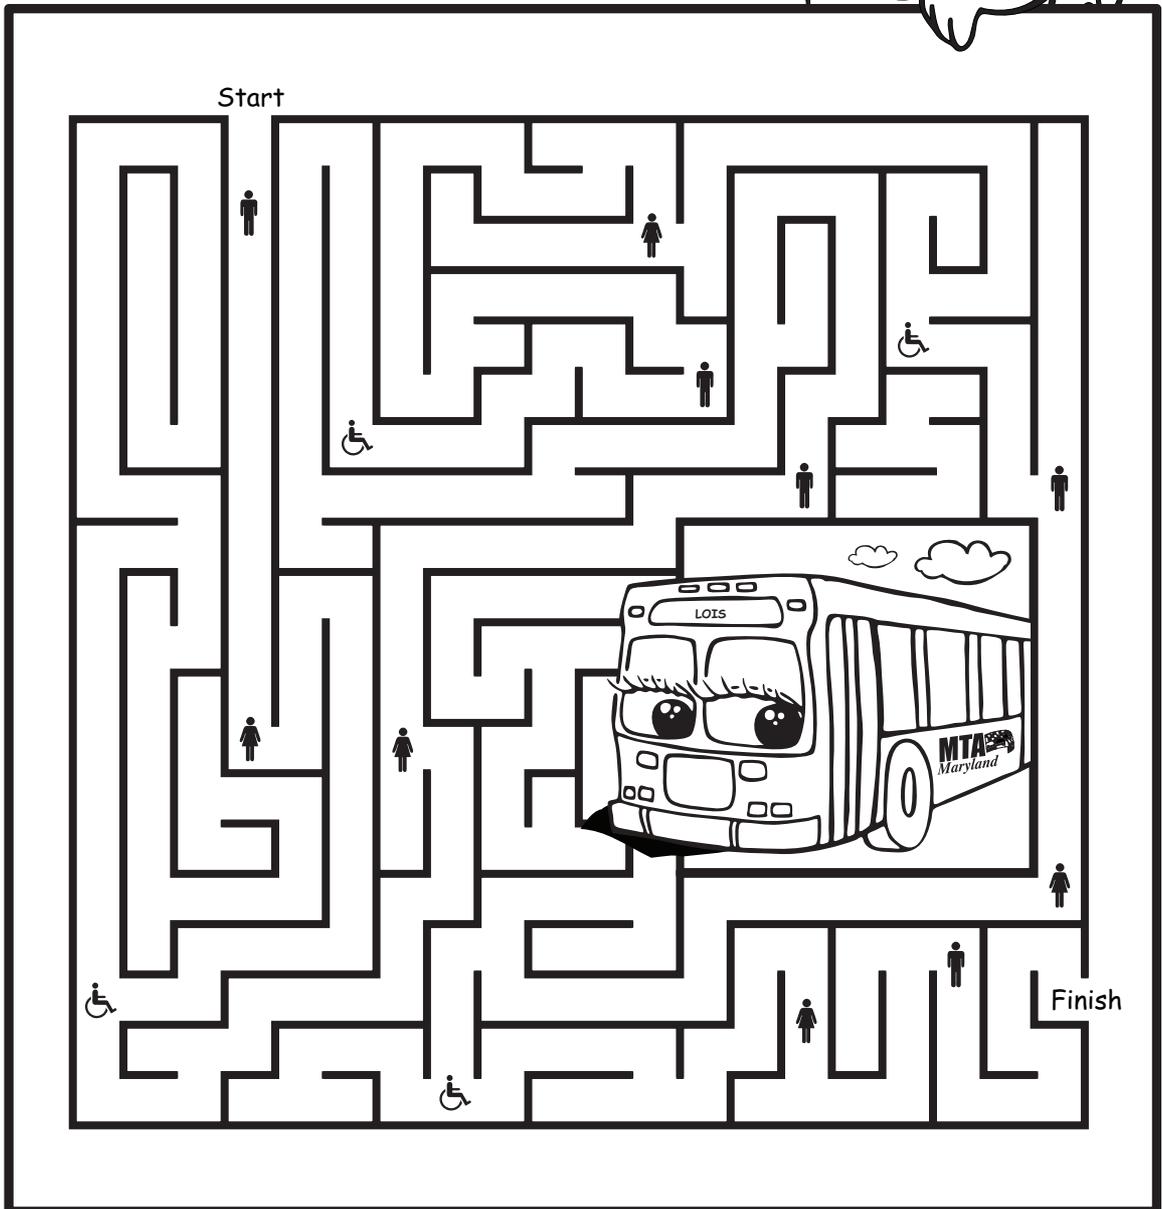

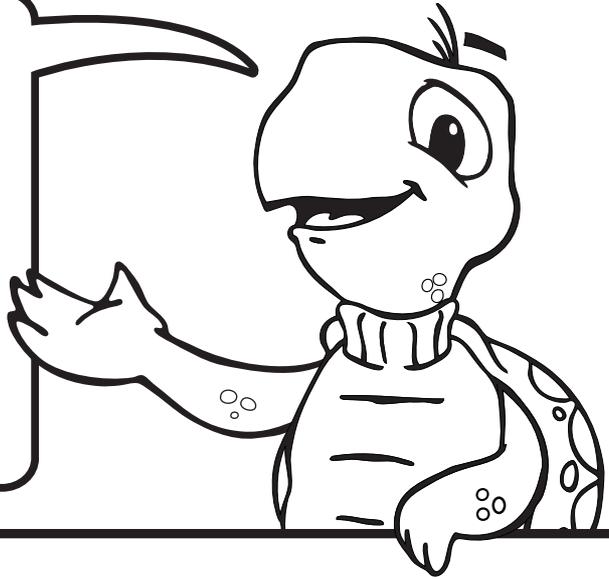

Remember to Respect the Ride and let good behavior be your guide!

1. Be cool and calm when you board the bus.
2. Go right to your seat and don't block the aisles or door.
3. Listen to the driver at all times.
4. No name calling or loud, offensive language.
5. Never stick any part of your body out the window.
6. Do not eat, drink, or play music without headphones.

along the way
and you'll do just fine!

Up, down, sideways, across.
 Some words are hiding
 and some are just lost.
 After you've found them
 you'll deserve some **applause!**
