Days of Operation

The No. 310 line operates Monday through Friday. It does not operate on Saturdays, Sunday, and the following observed holidays:

- New Year’s Day
- Martin Luther King Day
- President’s Day
- Memorial Day
- Independence Day
- Labor Day
- Columbus Day
- Veteran’s Day
- Thanksgiving Day
- Friday after Thanksgiving
- Christmas Day

Periodically, the MTA will operate Commuter Bus Services on reduced schedules in an effort to accommodate fewer riders when demand for these buses is significantly lower.

Trips marked with “L” denote the “Limited Service Schedule.” On Limited Service Days only, those trips designated with the “L” will operate.

Weather & Emergency Plan

In the event that adverse weather conditions necessitate a change or deviation in the morning schedule, announcements will be made on radio stations WBAL (1090 AM Baltimore). If the morning service does not operate, then the afternoon service will not operate.

Should the MTA be motivated by inclement weather or miscellaneous events to conduct earlier than regular service, the Commuter Bus division will determine if coaches are available to depart according to a modified schedule.

Commuters should understand that the MTA requires sufficient advance notice in order to mobilize coaches for earlier runs or necessary detours with individual service providers.

The MTA will generate e-notices and post announcements on the Commuter Bus Service Update Center online, once changes in service occur.

Standee Policy

For the safety of our riders, the MTA prohibits standees on commuter buses except under the following circumstances:

- If the last evening bus has a full seated load;
- To accommodate passengers from another bus that has become disabled en-route; or
- In emergency situations, such as severe inclement weather or civil defense events.

Please note that a patron’s need to reach his or her destination by a certain time is not considered an “emergency” for these purposes. Drivers are required to enforce this policy and to deny boarding to additional passengers once the bus has achieved a full seated load.

Connecting Transit Services
