TRANSIT HEROES ON A MISSION TO
PROTECT THE EARTH!

I'm a super new kind of bus
And I help clear the air
I have less moving parts
So there's less to repair!

HARRY THE HYBRID BUS

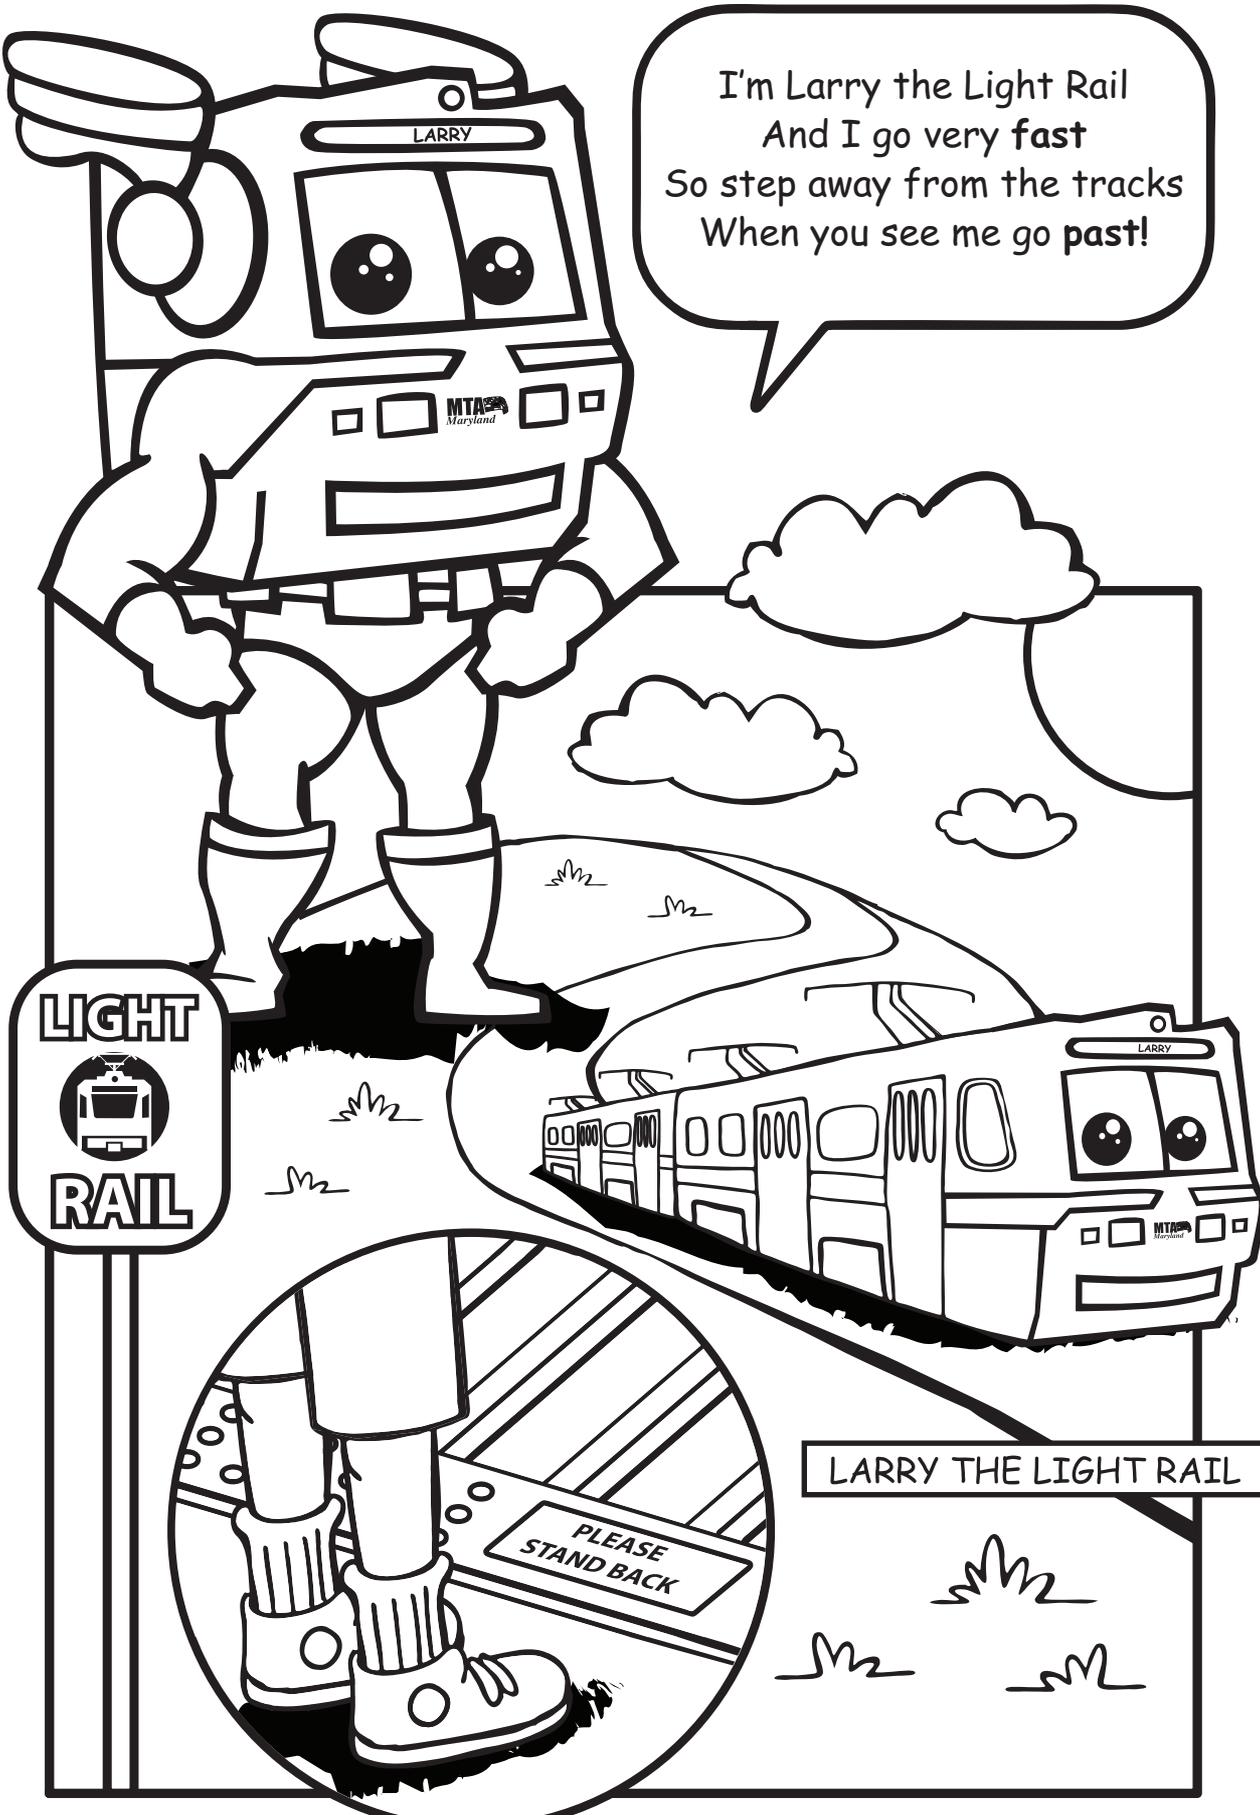

To ordinary people
We're a bus, train or van
See how our powers
Help clean up our land!

BUS

STOP

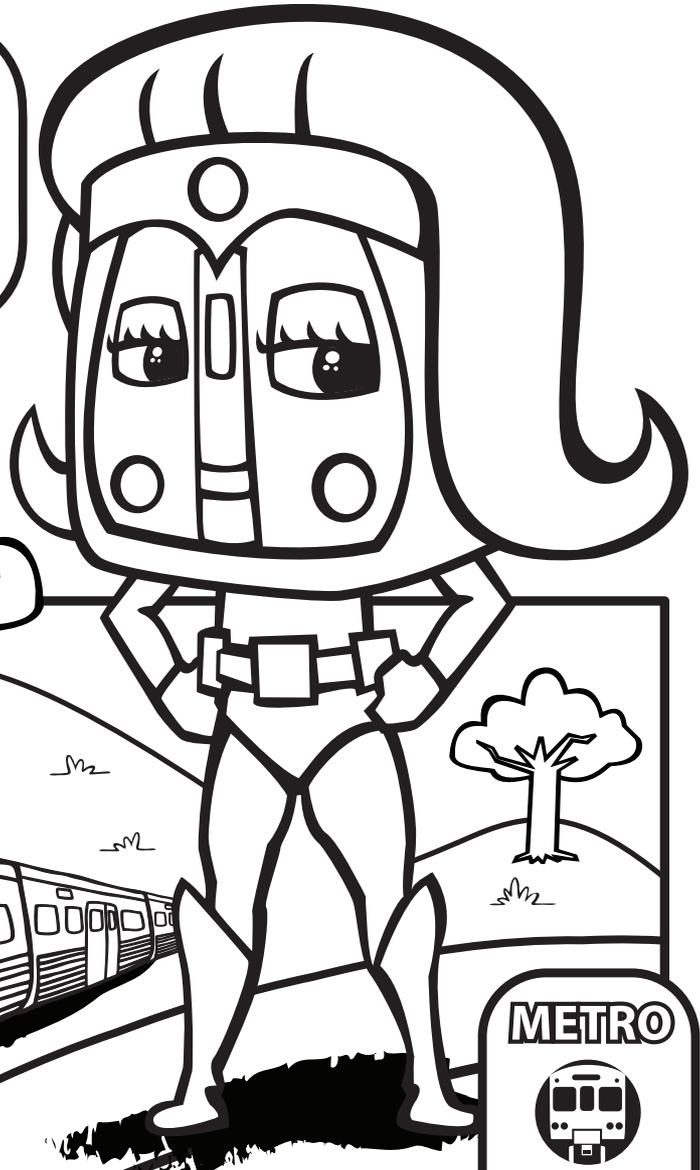

I'm Larry the Light Rail
And I go very fast
So step away from the tracks
When you see me go past!

I'm Maggie the Metro
I'm strong and I'm clean
'Cause I run on electricity
And help keep our
world green!

MAGGIE THE METRO

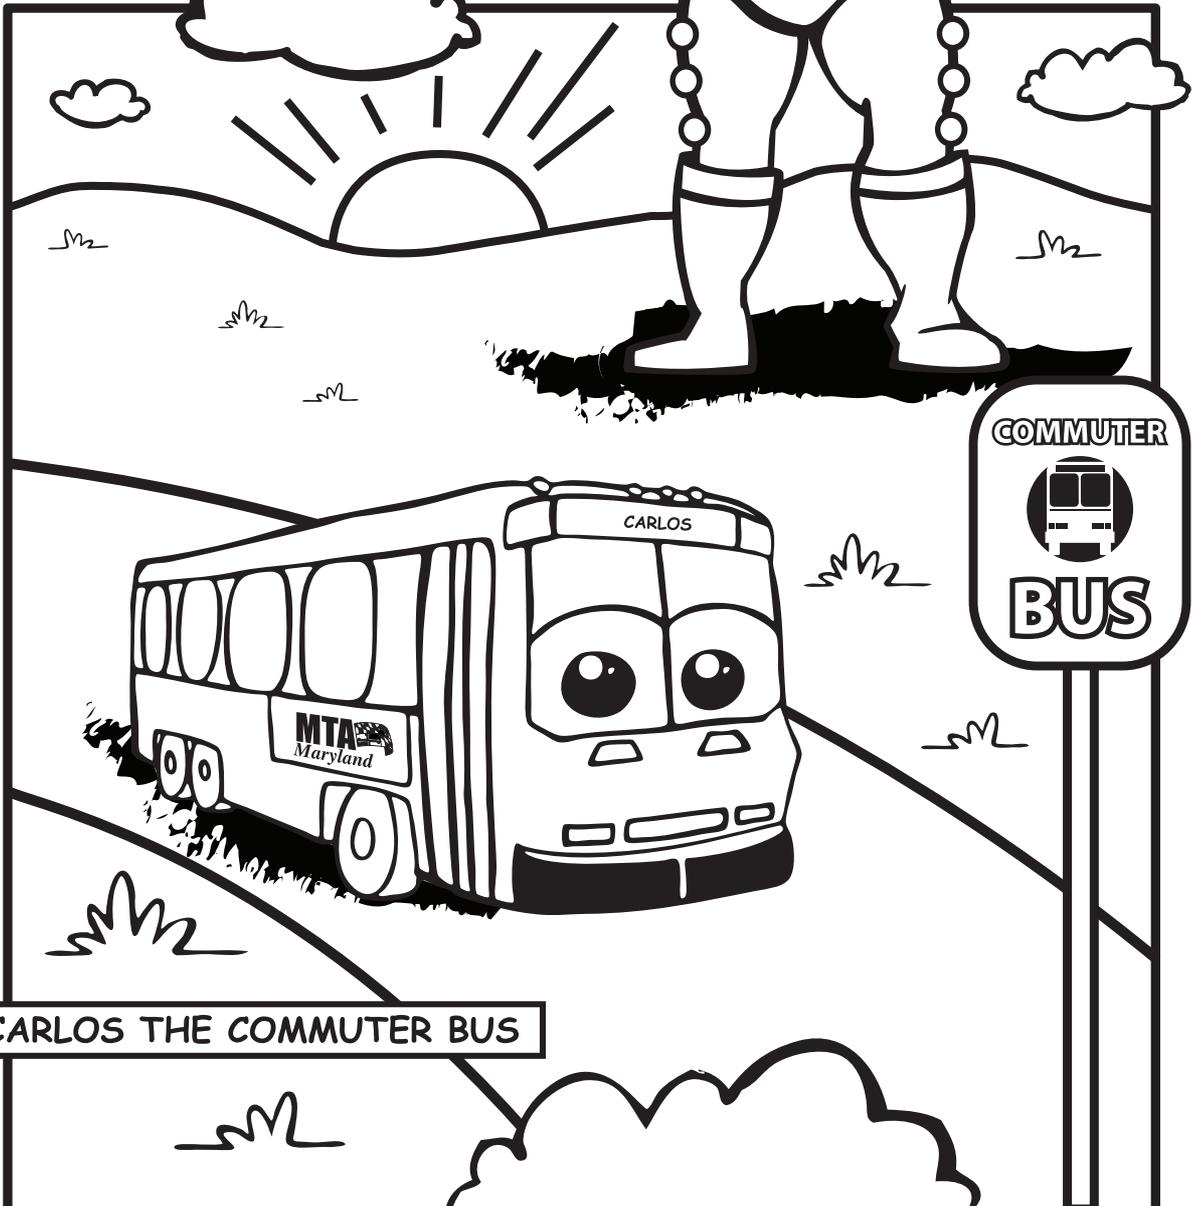

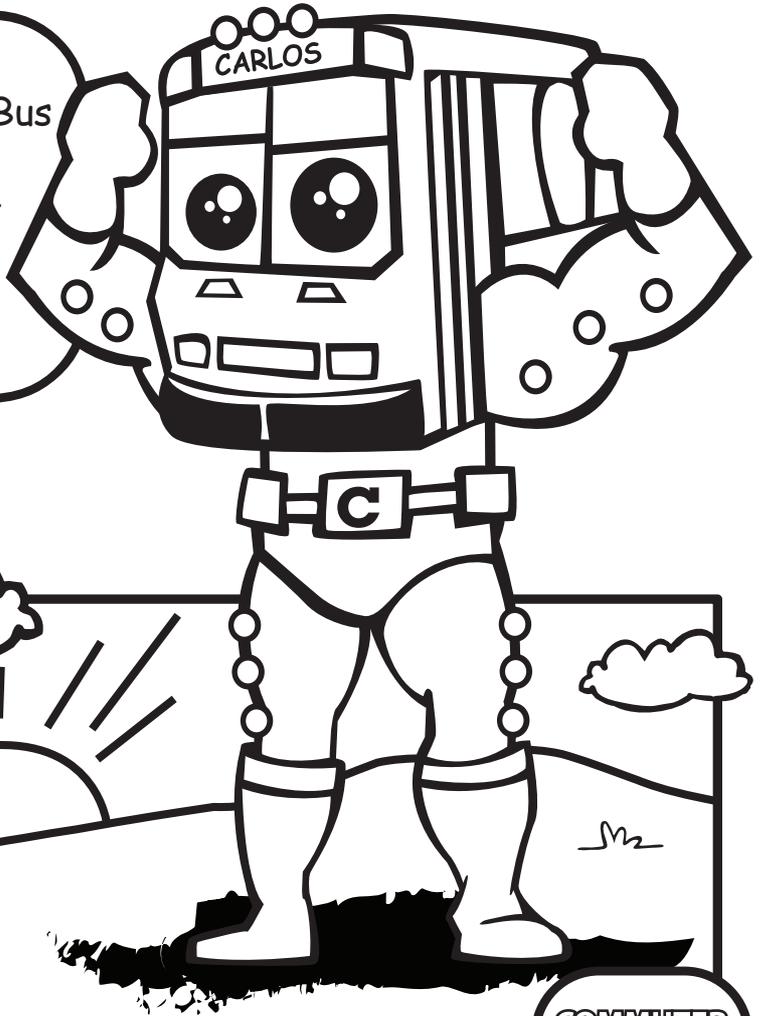

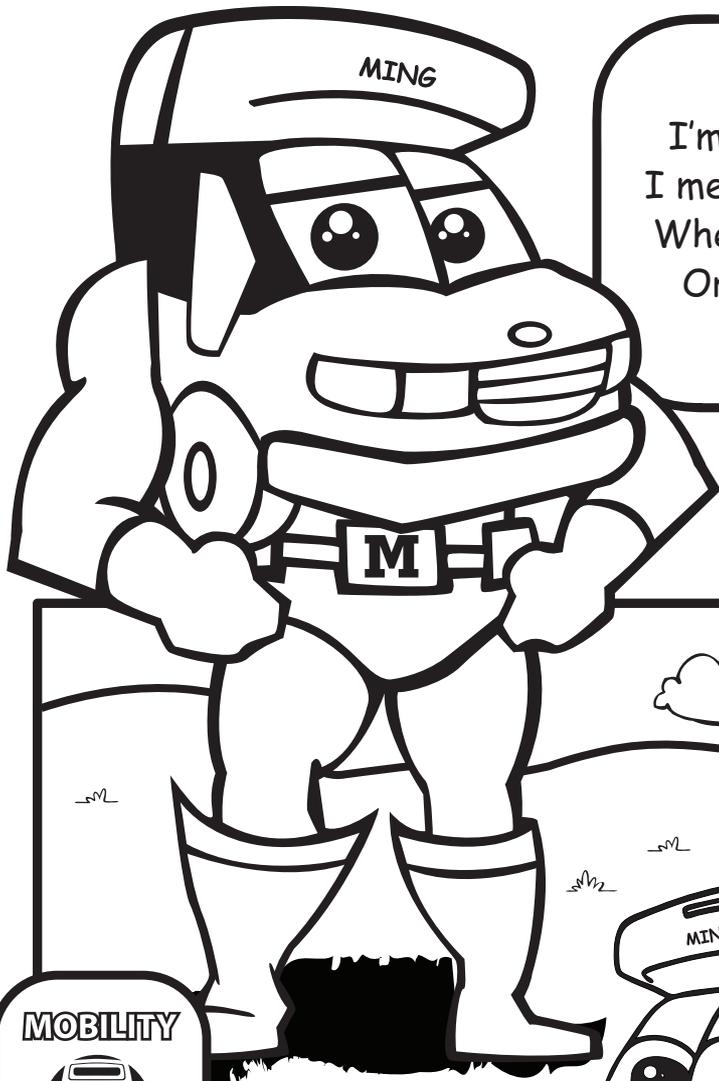

I'm Marcy the MARC Train
I go all over our state
And I stay off the highways
So you don't have to wait!

MARCY THE MARC TRAIN

I'm Carlos the Commuter Bus
And I hold a big load
I'm good for the planet
'Cause that's 50 cars
off the road!

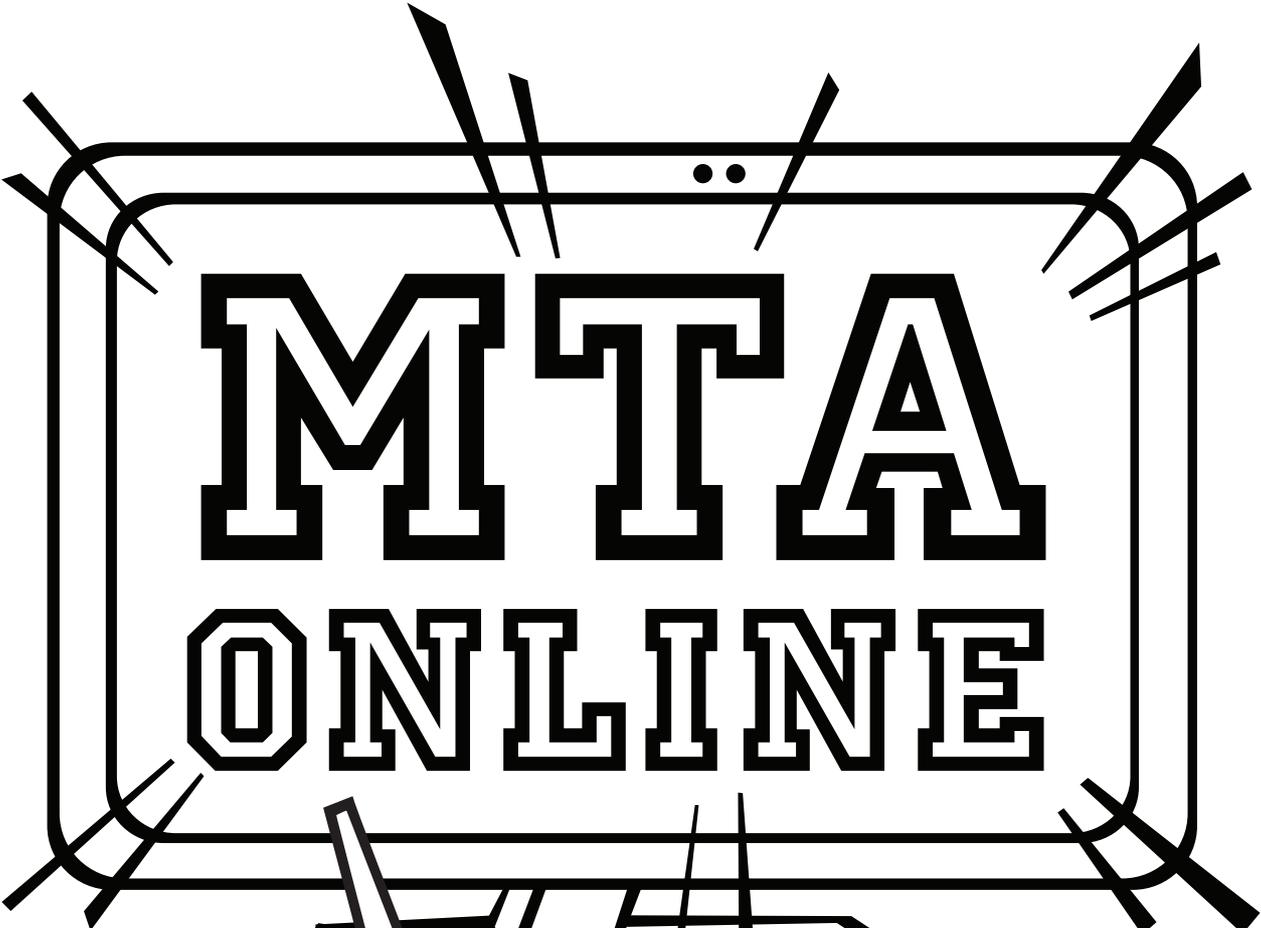

CARLOS THE COMMUTER BUS

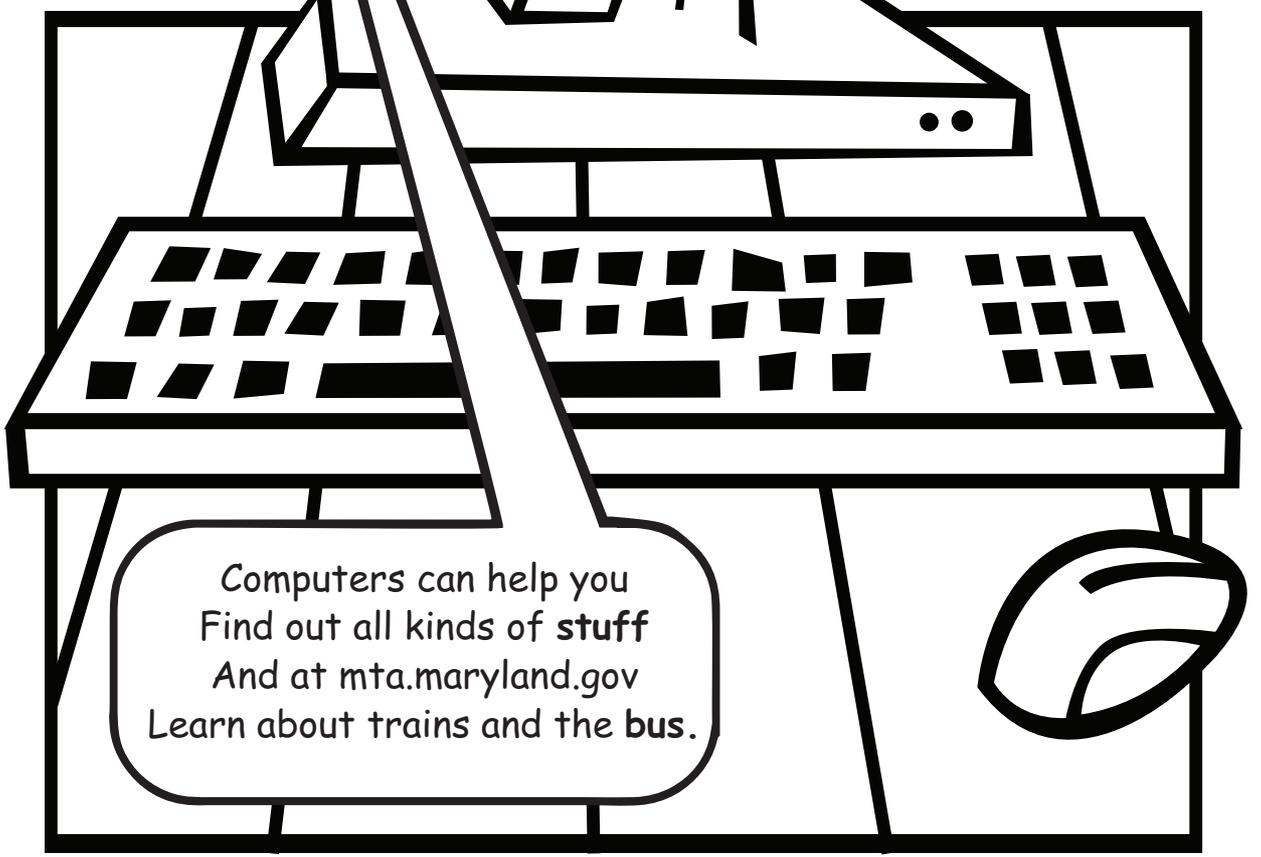

I'm Ming the Mobility van
I meet people at their home
When they can't take a bus
Or a train on their own.

Safety First Tips:

I WILL:

- Wait for the bus on the sidewalk, not on the curb or street.
- Watch out for traffic and never walk in front of a bus or train.
- Walk - and not run - for the bus or train.
- Listen to my parents and the driver at all times when riding.
- Wait behind the yellow line for the train.
- Tell the bus driver, train operator or MTA police if I need help.
- Keep the aisles clear so I won't fall.
- Stop, look and listen near rail tracks. Train time is anytime.
- Hold on to handrails when riding.
- Talk softly on MTA vehicles.

I WON'T:

- Place my head or arms out of the windows of moving vehicles.
- Scream or yell when talking.
- Run or play in front of or near bus stops or trains.
- Play on the bus or trains.
- Walk on or cross train tracks.
