

Maryland Transit Administration

# ONGOING IMPROVEMENTS

*Here's how our work to make your ride better might affect your travel plans.*

As a matter of safety and improving the transit experience for our customers and all our state's citizens, the Maryland Transit Administration works continuously to maintain and improve our infrastructure and facilities statewide. Here are some of the projects we're working on currently and those that are most likely to have an impact on the traveling public.

September 2016

## METRO SUBWAY

---

### *Rehab and Repairs to Metro Aerial, Bridge, and Station Structures*

---

**DESCRIPTION:** Concrete repairs at the West Cold Spring Metro Station.

**IMPACT:** Certain portions of the mezzanine level pedestrian walking areas will be temporarily closed and patrons will be redirected accordingly.

### *Old Court Metro Station Roof Replacement*

---

**DESCRIPTION:** Roof replacement.

**IMPACT:** Certain sections of the pedestrian/ticketing area on the mezzanine level will be temporarily closed during the installation of roof drains. Patrons will be redirected accordingly.

## LIGHT RAIL

---

### *Cromwell Light Rail Storm Water Facility Retrofit*

---

**DESCRIPTION:** Maintenance on the existing storm water management pond at the south side of the parking lot and access road.

**IMPACT:** Construction will restrict part of the south drive along the curbed grass area and between the entrance and parking area.
