

MARC Northeast  
Maintenance Facility

**OPEN  
HOUSE**

## MARC Northeast Maintenance Facility

Maryland Transit Administration (MTA) is proposing to construct a MARC locomotive and passenger rail car maintenance facility and train storage yard.

At the Open House you can:

- See proposed MARC Northeast Maintenance Facility plans
- Meet representatives from the project team
- Speak with specialists about how the facility will affect historic resources (Section 106 Public Involvement Process)
- Comment on the use of a Section 4(f) resource (The Woodlands Historic District)

**June 12**  
**4:00 PM - 8:00 PM**

Come to the open house anytime between 4 PM and 8 PM to look at project displays, ask questions and provide comments.

**Community Fire  
Company of Perryville**

920 Principio Furnace Road  
Perryville, Maryland
