# ONGOING IMPROVEMENTS

*Here's how our work to make your ride better might affect your travel plans.*

As a matter of safety and improving the transit experience for our customers and all our state's citizens, the Maryland Transit Administration works continuously to maintain and improve our infrastructure and facilities statewide. Here are some of the projects we're working on currently and those that are most likely to have an impact on the traveling public.

October 2016

## METRO SUBWAY

---

### *Rehab and Repairs to Metro Aerial, Bridge, and Station Structures*

---

**DESCRIPTION:** Concrete repairs at the West Cold Spring Metro Station.

**IMPACT:** Certain portions of the mezzanine level pedestrian walking areas will be temporarily closed and patrons will be redirected accordingly.

### *Old Court Metro Station Roof Replacement*

---

**DESCRIPTION:** Roof replacement.

**IMPACT:** Certain sections of the pedestrian/ticketing area on the mezzanine level will be temporarily closed during the installation of roof drains. Patrons will be redirected accordingly.

### *Repairs to Owings Mills Metro Station Stairs*

---

**DESCRIPTION:** Stair repairs.

**IMPACT:** Portions of the mezzanine will be temporarily closed. A protective screen/enclosure will be in place to prevent debris and dust from dropping onto patrons on the mezzanine level passing next to the stairs.
