

# 11 Line: Towson Town Center to Inner Harbor - Light & Lee

## Summary of Changes

Line 11's overall length will be shortened and its southern portion between Downtown and Canton will be transferred to the new Line 31. Its current frequency will be improved during the evening period and remain the same during all other periods. Its current service span on Weekdays and Saturdays will remain the same. On Sundays, service will end at 11:00 pm instead of 1:30 am.

## Alignment Changes

Recommended Change	Reasoning
1 Realign route in Towson Center to use less-congested roads (Bosley & Fairmount)	Addresses BNIP goal of improved service quality by improving travel time: -Poor on-time performance resulting from traffic congestion on Pennsylvania Ave & Chesapeake Ave
2 Transfer the service between Downtown and Canton to a new line (Line 31) in order to shorten the line	Addresses BNIP goal of improved service quality by improving travel time: -Poor on-time performance -Few passengers travel from one side of the line to the other
3 Remove trips serving Charles St and the Beltway	Addresses BNIP goal of increasing network efficiency: -Low ridership -Creates a more consistent and easy to understand line
